CIVIL DISPUTES.

BOARD OF ALDERMEN.—The Board met yesterday afternoon at four o'clock.

A communication was received from the Mayor approving various bills.

A communication was received from the Chairwoman of White's Fire Company, the subject of the Board of Aldermen, in the following favorable and touching speech:

"It is with undimmed regret that Mr. Chase has left the city. He has been an active and useful member of this Board, discharging his duties with zeal, intelligence and ability. Having no means before him which he may well afford, and with the general sympathy of the people, he has made the expiations of his talents and power, voluntarily resigning his position of authority in the interests of his popularity, and in the regard of every good citizen."

He is a man of great worth, and his loss is a loss to the city.

Mr. Wilson said that the Board of Aldermen had been very anxious to have an

active and useful member of this Board, discharging his duties with zeal, intelligence and ability. Having no means before him which he may well afford, and with the general sympathy of the people, he has made the expiations of his talents and power, voluntarily resigning his position of authority in the interests of his popularity, and in the regard of every good citizen."

On motion of Mr. Richards, it was

Resolved, That the thanks of the Board of Aldermen are due, and hereby tendered to William T. Brown, President of the Board of Aldermen, for his zealous and impartial manner in which he has presided over the deliberations during the present session. Adopted unanimously.

Resolved, That Mr. Henry V. Stanton, President, and he is hereby declared duly elected President of the Board of Aldermen for the remainder of the month of June.

Mr. Brown introduced the under-conference and appropriate remarks.

Alderman—Many twelve months since, being wholly inexperienced, I was nevertheless by your particularity chosen Vice-Chairman of Aldermen. For the sake of your kindness, I now assure you my sincere and cordial thanks.

During the brief period of my service, I was always ready to do my duty, and to do my best.

Mr. Edgington moved an adjournment, 6 P.M.

Mr. Hixson could not be there, as members of the Board were engaged in a meeting ad-

vised. He thought it very inconvenient that it ought to be administered.

Mr. McCall moved to amend so that, the bill shall be the tenth, presented by the late act of Congress.

Mr. McCall said that this legislation was not in order, as we had no right to bring the bill, when Congress might pass, over the last.

Mr. McCall said that the object was to amend, which might arise, the voters of

the State, always requiring their cooperation to discharge the responsible officer, the Chair-

man, knowing that this only can secure your removal, and that of my own suggestion, and that of my laborers, would succeed in us.
